

PRANJAL KHAREL

STUDENT | TECH ENTHUSIAST | LEARNER

Kageshwori Manohara-6, Kathmandu | pranjalkharel86@gmail.com | pranjalkharel.com.np

I am a proactive and motivated B.Sc. CSIT student with a strong passion for IT, complemented by hands-on experience in project management and a solid technical skill set. My expertise includes proficiency in programming languages such as C++, C, and Arduino, along with a foundational understanding of frontend web development and ideation for Meta and Google Ads. I possess excellent communication and interpersonal skills, with a demonstrated ability to work effectively both independently and within a team.

SKILL HIGHLIGHTS

C	Java Script	Canva Design
C++	React	Project Management
Arduino	HTML/CSS	Photography
